## Carafe 1L

CA7090207-000-B01012

Plastic Drinkware provides a great alternative to Glassware. Drink related violence is an ever present area of concern for Police Forces and local licensing authorities; Utopia has focused on providing a safer option, without any compromise on style. Carlisle's range of Polycarbonate Carafes provide a stylish alternative to more traditional jugs. As well as being an attractive solution to serving beverages at the table, carafes are also extremely practical as they enable wine to aerate. This carafe boasts the look of stunning glassware with all of the practicality of Polycarbonate - stain resistant, break resistant and chip resistant. Lids are also available to buy separately. Adding a lid to this carafe makes it perfect for outdoor use, preventing contamination. See items CA7090402 and CA7090502.
