

Shield 3 Way Toilet Cleaner

Daily toilet cleaner and descaler

Benefits

- Powerful phosphoric acid formula kills all known toilet germs
- Removes dirt and limescale
- Thickened formulation uniformly coats and clings to the surface for easier cleaning
- Odour Neutralising Technology neutralises unpleasant odours
- Long lasting perfume leaves behind a fresh, clean floral fragrance.
- Safe to use on stainless steel and chrome surfaces
- Angled nozzle for ease of use

Description

Shield 3 Way is a daily use toilet cleaner and descaler with an acidic formulation that can overcome the toughest toilet cleaning tasks.

The thickened solution uniformly coats and clings to the surface for easier cleaning.

The product is safe and versatile for deep cleaning of all toilets and urinals including chrome and stainless steel surfaces, using Odour Neutralising Technology to leave a fresh smelling fragrance.

Conveniently packed in one litre bottles, the angled nozzle directs concentrated cleaning power into any hard to reach area.

Use instructions

- Wear appropriate personal protective equipment
- Flush toilet and reduce the water level by forcing the water around the s-bend with the toilet brush. Check that the waste outlet is clear on urinals, if applicable.
- Direct the angle nozzle under the toilet bowl rim and evenly over the surface of the toilet or urinal.
- Leave for 5 minutes to allow to work.
- Brush the toilet bowl or urinal paying particular attention to cleaning the toilet bowl rim and below the water line.
- Flush the toilet. Leave the urinal to flush automatically. Rinse brush after use.
