Combi Scale Descaler

Our Combi Scale Descaler is a highly effective acidic cleaner to remove limescale from kitchen equipment and utensils. Safe to use on most metals, paints and rubber.

Benefits

- ✓ Low foaming
- ✓ Rapid action
- ✓ Effective in hard and soft water
- ✓ Reduced use of hazardous substances
- ✓ Phosphate and phosphonate free
- ✓ Safe in septic tanks if used as directed
- ✓ Readily biodegradable
- ✓ Not tested on animals

Application and Directions

Soaking: Dilute 50ml-400ml to 1ltr of hot water (5-40%) dependent on the degree of scale. Soak in solution until the scale dissolves. Scrub to remove heavy deposits. Rinse with clean water and allow to dry.

Spray: Dilute 50ml-400ml to 1ltr of hot water (5-40%) dependent on the degree of scale. Spray solution to surface and leave until the scale dissolves. Scrub to remove heavy deposits. Rinse with clean water and allow to dry.

Dishwashing: Switch off dosing equipment. Fill dishwasher with clean water. Dilute 100ml-200ml to the water (10-20%) dependent on the degree of scale. Run machine for 10-15 minutes then drain and inspect. Repeat if required. Drain and rinse thoroughly. Leave door open and allow to dry.

Proper dosage saves cost and minimises environmental impact: Delphis Eco encourage proper dosage and users to reduce waste going to land fill by recycling empty bottles.

Areas of Usage

- Kettles and boilers
- Drink machines
- cabinet dishwashers
- bain maries
- water heaters / water coolers
